SOPHIE

HOT BOD

Sophie Moore is so proud of the new Mercedes her sugar daddy bought her she always tries to keep it clean. It's a hot day so Sophie wears her sluttiest outfit, goes outside and suds up her car, and herself. All the neighborhood guys start coming around so Sophie gives them a show. She slowly strips out of her clothes, pours water all over herself, and jerks her throbbing wet pussy. The guys are getting hard, which makes Sophie rub her clit faster. She turns around, spreads her ass wide, and lets the water pour down her shapely butt. She lays on top of her car, licks her fingers, rubs herself more, and lets out a burst of her sweet juices over the hood. Looks like you missed a spot on there, Sophie. Mind if we lick it off?

Feature Girl vs. Gonzo Girl Who's Got It–And Gives It–The Best?

As you know, there are two very different styles of porn movie. One is a feature film; the other is a gonzo film. These films feature two different kinds of actresses—the feature girl and the gonzo girl.

A feature film usually has higher production values. The film is shot in a nice location, the quality of film is usually better, and there's also a story line. You have some girls in the adult business, usually contract girls, who will only shoot features. Why? Well, every girl differs, but usually they feel shooting a feature will earn them more respect in the adult business. Sometimes it's because they want to show they can act and do more than just suck and fuck. Also, they may not do everything on film, and—in most cases—a feature film isn't as hardcore as a

Island Fever 4

gonzo. As a feature girl, you can exercise your say more on whom and what you will do on film. Don't get me wrong, all girls in adult films—both gonzo and feature—do not have to do anything they don't want to do.

A gonzo girl will often shoot every day with different directors (sometimes a contract girl will, too, but usually not.) A gonzo film is usually a lower budget film, shot in a cheap hotel room, that gets right to the point of porn—sex! A gonzo girl usually doesn't choose whom they work with, but they also don't have to work with someone they don't want to. This kind of busy shooting schedule allows freelance gonzo girls to sometimes make more money than their contract girl/feature film counterparts.

A gonzo film is usually a lower budget film, shot in a cheap hotel room, that gets right to the point of porn—sex!

So, is being a gonzo girl better than being a feature girl? NO! They BOTH are great; both have advantages and disadvantages. One advantage of being a feature/contract girl is that you are guaranteed a certain amount of work. That is very comforting, especially in this business. Yet, being a gonzo girl, you can work as much as you want, with whomever you want, and—honestly—can make more money than a feature/contract girl. But another example of being a feature/contract girl is you have a company behind you, promoting and marketing you 100%, to help push you as a star. That costs a lot of money. They eat that cost—you don't. Being a gonzo girl, you usually have to market and promote yourself. The companies you've shot for will promote the films you've been in, but they won't necessarily promote you. There are some girls who don't care whether or not they are a feature or gonzo girl. They are in it for fun and for the money—which is great.

I myself am a feature/contract girl for Digital Playground, but I also love gonzo. I make sure with Digital Playground that I can shoot both. There are some people who like watching feature films, and some that don't, just like there are some people who like watching gonzo films, and some that don't. So in my opinion, if you want to be a star, you should market yourself to both groups. Work in both features and gonzo films. Sex is sex, and that's all there is to it. No one girl, feature/contract girl or gonzo girl, is better than another. We are all the same. The only difference is the style of movie we shoot.

See you guys again in March!

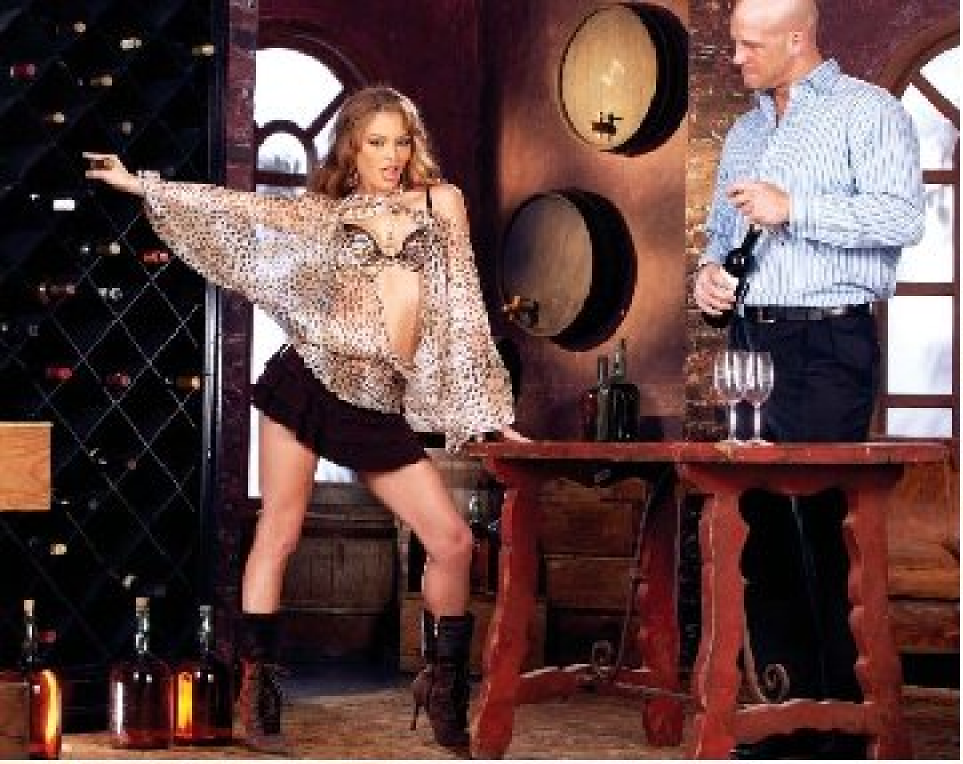
ASHLEY

WINE & DICK CHEESE



Ashley likes to fuck and get fucked, so after a few glasses of wine, she's ready to pull down her man's pants, take his cock out, and suck it off. After getting him rock hard, she lays down on the table, spreads her legs, opens up her snatch, and begs him to fuck her. He pumps her hard, while Ashley moans, then picks her up and has her on top of him, fucking her cowgirl style. She rides up and down on his throbbing boner, until he spews his load all over that pretty, slutty looking face of hers. "Thanks for the great lay, but I'm done with you," she says. We bet he feels used—he'll get over it quickly.

SILVIA & PEACHES

MILF & HONEY

Silvia Saint is hot for her neighbor's daughter, Peaches. You can't blame her—Peaches is a tight, ripe 18-year-old who's been shooting Silvia coy smiles for the past six months. So when Silvia notices that Peaches' parents have left her home alone for the weekend she invites herself over and makes her move. She grabs Peaches' tits, and buries her face in her big boobs, moving her hand down to pet Peaches' wet pussy. "You are excited, baby? Your pussy is soaking wet," says Silvia. "Please go down on me, Mrs. Saint," Peaches says. Silvia dives into Peaches' fuzzy pit and fingers her tight teen asshole. "Oooh, you are so tight, I can barely put my finger in there," says Silvia. Silvia grabs her strap-on, and pounds away at Peaches' shaved slit. "Oh Mrs. Saint," yells Peaches, "you're making me cum so hard. I want you again!" Silvia is happy to oblige. That's what good neighbors are for.

COURTNEY CUMMZ

COURTNEY CUMMZ ALIVE!

Interview by Acme Anderson

PORN VALLEY, CA—It was one of the hottest days of the summer when Courtney Cummz, displaying some of her Southern charm, let us tag along as she drove to San Diego for one of her countless public appearances. Since we're not much to look at, we let Courtney get behind the wheel, that way we could concentrate on the…uh…oh, right, the interview. And, of course, it was nice to take in the scenery, and you know we're not talking about the ocean view.

Courtney was raised in West Virginia and attended college in Florida, where she also had a little job at a nudist resort. One thing led to another and, well, we are now reaping the rewards of the decision that lead to her becoming one of America's finest porn stars. It was 2004 when she first entered the business as a free agent. She has 100 or so titles under her proverbial belt, and is now a contract girl for Zero Tolerance. The deal was for her to do 30 scenes over 18 months, but she's a real go-getter and got those out of the way immediately, and promised that she would be doing plenty of bonus scenes. Beautiful, blonde, ambitious—a real dreamgirl!

And now, our gorgeous girl behind the wheel, Miss Courtney Cummz.

When did you make the decision to become a porn star?

I was 22 and I was in college in Tampa, Florida, working at a nudist resort, and I just decided to do porn.

What was it like first having sex on camera?

Well, the first scene was just a solo masturbation and I was very nervous. The second scene I did

Photos by Holly Randall www.suze.net

for the Bang Bros, and that was OK because we just had fun, we were just driving around in the van. My third scene was for **CumOnHerFace.com**—now that was crazy because it was like a big orgy.

How many guys came on your face at the orgy? This wasn't like a bukkake, was it?
Not that many, 11 or 12.

Not that many for you, perhaps! But that's 11 or 12 more than I've had.
Well, in a bukkake they have like 50! I could never do that. I'm not interested in any of that.

Have you ever danced professionally?
I've done it once. I like feature dancing, but I don't eat red meat, so I bruise very easily and then you can't really work for the next couple days because you're all messed up. All the girls, they get really bad bruises, so when they go out feature dancing they always have to spray their legs with, like, makeup and stuff and ice them at the end of the night.

> I wanna be able to squeeze my breasts and…I have the biggest tit fetish ever.

When was the last time you ate red meat?
A loooong time ago.

Fascinating. So you don't like red meat, but how do you feel about what some call "the fake meat": Plastic surgery?
I think the breasts look nice, but I don't believe reconstruction on your face is necessary. Unless you have a Pinocchio nose, then I suggest it.

You know, the Pinocchio nose could be a great asset in porn.
I know, they could stick it in a guy's ass. And they'd like it!

Looking at you, I would guess you don't have implants.
No, no, I'm all-natural. People ask me that sometimes.

That's because your breasts are unbelievably perfect.
Why thank you! I've thought about getting larger breasts, but I've worked with girls and I like them, they look nice, but when it comes to squeezing them and stuff, and looking from an angle and you can see those sacs, it actually turns me off. And I don't want people to be like that with me, and I wanna be able to squeeze my breasts and…I have the biggest tit fetish ever.

Is that a fetish for big tits or a big fetish for tits?
Big tits—I like big tits.

COURTNEY CUMMZ

Whose breasts do you find most wonderful?
Hillary Scott has some nice tits. I think they look very nice. They're not too big. I really like Stormy's tits. I've never worked with her, but I really like her tits.

Well, we really like yours and hope you'll keep them as-is. What's the best thing about being a porn star?
You make money and you get to have orgasms. And you get to have sex with different men all the time. So each day is a fantasy.

How much time do you spend having sex?
Now or before I was under contract? Now I have more sex in my personal life. Before, when I first started porn, I never had sex in my personal life. I would have to say that, when I started, I had sex once or twice a day, and that's four or five orgasms a day.

Four or five every day?!
It depends on if I'm doing anal or DP or girl/girl—sometimes I'd do a girl/girl scene and then a boy/girl scene...a lot!

What kind of scene do you expect to get the most orgasms?
DP.

> Caress the dick. Stick it down your throat. Swallow their cum, that always turns a guy on. Or allow the guy to cum on your face.

Do you enjoy DPs at home?
With toys, yes. Or with my boyfriend and a toy. My needs have to be fulfilled, too!

But of course! What's the downside of being a porn star?
People from your past fall away. Because they don't respect what you do or whatever, that's a downside.

How did your family take the news?
Let's just say, initially I never told them; my mother worked at a college with all the students I used to attend high school with, and I have a feeling that she received an email or something with me in it. A few months after I was in the business, for Christmas, I received dominatrix outfits,

and stripper heels, all this porn stuff. That's their way of saying, I know what you do, I love you and let's just not talk about it.

So it's never actually been discussed?
No. My stepfather is a psychiatrist, so the way they brought me up was, that I know right from wrong and if you are putting your life or a friendship or whatever in jeopardy, you have a reason for that, you're not just acting on impulse. So they respect my decisions.

What's in heavy rotation on your iPod right now?
I have '80s music, hip-hop, some relaxation music.

What's the last concert you went to?
I'm not a real big concert person. I like to go see this thing in Hollywood, this '80s cover band, things like that. I'm really big into '80s music and hip-hop.

Weren't you born in the '80s?
'81.

Do your sexual attitudes change once on camera?
I think I become who I really am inside. Because I can't be who I am in my personal life, because it intimidates the guy because they lose their sense of manhood.

What do you do in front of the camera that you don't do at home?
I'm more verbal in front of the camera. I just react however I react, I don't hold back.

What are the pros and cons of being a freelance performer vs. a contract star?
I have to say, I work for the best company in the business. I've worked for everyone, and I love all the companies, but I love the Zero Tolerance style. It's not degrading to women. The woman can have control and it's beautiful. I think the sex that Zero Tolerance records is beautiful sex. I like hardcore sex, too, but it's hardcore without that (misogynist) edge. There are some real woman-hater's in the business, and we don't shoot that stuff. The men honestly love the women and that's what you see.

Of all the movies you've done, which is favorite?
My interactive movie, *Interactive Sex: Courtney Cummz*. It's all real cumshots, they can choose how they want to fuck me, what outfits they want to fuck me in, what positions they want to fuck me, if they want me to swallow their cum, cum all over my face, cum in my ass, cum in my pussy. There's also a girl/girl with Eva Angelina.

She's a lucky girl. What's your favorite mainstream movie?
Dirty Dancing!

COURTNEY CUMMZ

If you could have dinner with anyone, living or dead, who would it be?
Mona Lisa. She could teach me patience.

If you won the lottery tomorrow, what's the first thing you'd do?
Adopt children and open an animal rescue.

Have you ever done a gangbang on film or in person?
I blew 18 guys and they all came on my face. I didn't have sex with all of them, I just sucked their dicks. I think the most actually fucking me was 11 or 12.

Don't suppose you do that at home typically? Ten guys around the house?
Not right now, but I do live in a porn neighborhood, so I'm sure I could find something.

You could find whatever you want in any neighborhood. Oral tips. Whattaya got?
When giving a blowjob, the girls shouldn't swallow their saliva, just allow it to come out so the dick will be wet. Caress the dick. Stick it down your throat. Swallow their cum, that always turns the guy on. Or allow the guy to cum on your face.

Such a nice girl. What about going down on girls?
Guys, you don't have to stick your tongue in the pussy. That turns me off. Just play with my clit and play with my piercing. Don't go inside, that's not eating pussy, that's devouring the pussy.

What size cock do you prefer?
I think Scott Nails has the perfect size cock, the perfect width, the perfect form, everything. He has a perfect cock for anal and a perfect cock for my pussy. And I do like guys with regular-size cocks.

Since you mentioned it—what is "average size"?
Like five inches, right?

That's an acceptable answer. Do you prefer men or women as sex partners?
As sex partners, men. But I really like women.

What is your favorite sex act?
Anal.

What is the strangest place you've ever had sex?
I lost my virginity in a cave.

Just for fun, let's leave that one as-is. What's the most embarrassing thing that's ever happened to you?
My mom caught me having sex. That was embarrassing.

> I blew 18 guys and they all came on my face. I think the most actually fucking me was 11 or 12.

Did you actually talk about it, or did she just get you condoms for your birthday?
She really yelled at me about that. We were having sex upstairs and my mom was sleeping underneath, and I didn't realize that it was so loud. She got all freaked out. It was horrible.

What was the happiest day of your life and why?
The day I signed with Zero Tolerance!

Website? MySpace?
Yes and yes! My website is **courtneycummzlive.com** and on myspace.com/courtneycummz4u. And I'm sorry if I can't respond to everybody, I just don't have the time to get to every single person. But I try.

Many Shades Of Mayhem

Tightfit Productions—never heard of them? If you´re a fan of steaming hot fuck flicks then you soon will. Tightfit has produced some of the hottest porno movies the industry has ever offered during the last 18 months. What´s their secret to success? Hire the best looking babes in the business, couple them with big-dicked studs, and shoot it all in crystal-clear high-definition!

Many Shades Of Mayhem 2

TIGHTFIT PRODUCTIONS

It's been a busy year for Oren Cohen. The son of a veteran magazine distribution executive, Oren launched his own adult video company, Tightfit Productions, a little over a year ago. The company's first title, a plot-driven feature called *Dillon's Day Off* starring Dillan Lauren, Hilary Scott, and Lexi Love, got the ball rolling and Tightfit hasn't looked back since. Tightfit's lines have expanded to include outrageous gonzo titles (check out any of the *Many Shades Of Mayhem* series) reality porn (*Ambushed* features top porn starlets seducing total strangers on the street) and speciality lines (*Latin Mayhem*, *Asian Mayhem*, *Shove It In My Ass*, *Rock 'Em Up*, and *Tight Teens* to name a few.) In a matter of months, Tightfit has grown by leaps and bounds.

They moved into a plush new 15,000-square-foot complex that features soundproof film sets, office space, and a 9,000-square foot warehouse. They also recently inked an exclusive partnership deal with adult industry titans Adam & Eve, that will allow Tightfit to take advantage of A&E's massive distribution network. They've invested in equipment that allows them to shoot the sharpest, "true high-definition" adult titles on the market. But the real secret behind Tightfit's success is the high quality sex scenes they deliver—top-shelf talent like Jenaveve Jolie, Jasmine Byrne, Katja Kassin, and Sandra Romain, shucking all inhibitions and fucking like wild animals for the camera. Tightfit's hand-picked female talent brings a true "joy of sex" to the world of adult cinema. Don't believe us? We'll let these pictures speak for themselves. TART OF THE MONTH NIKY

CLASS ASS

Niky is a sophisticated Euro chick but isn't above showing off her boobs and fine tight ass to get what she wants. "All guys want is one thing so I give it to them—so I can get what I want. For tit lovers, I let them bury their faces in my boobs, and if they are good, they can suck on them. For guys who like asses, they can stick their faces between my ass cheeks and tongue my ass. I love how a wet tongue feels probing my juicy asshole. If I want something big like a house or a car, then I'll let a guy fuck me. I let out huge moans, while he is pounding at me, fucking me hard, and I scream more, until I gush my cum all over his hard, throbbing cock. But it's not him who's making me cum. It's the big, expensive gifts he is going to buy me that get me excited." We like chicks who have a—and give—good head for business!

MARTHA

DP QUEEN

Martha demands to get fucked when she's horny. So she has her two boy toys summoned over to plug her pussy and her ass. She grabs their cocks, gets them rock hard, and sucks them off. "Stick your hard rods down my throat," she growls, bobbing from cock to cock like a trained circus seal. She turns around, spreads her hot holes, and orders them to start pounding away. They fuck her hard, fast and good, making Martha scream with delight. "Yes, this is what I want! Don't stop fucking me. Now, shoot your warm sticky loads all over my body, you bitches!" Martha, you can be a bitch, but you can boss us bitches around anytime.

MARKETA

TRIMMED & PROPER

Marketa loves her neatly trimmed snatch. "It feels so good, especially when I rub my pussy. I love the fuzzy feeling on the palm of my hand as I rub my throbbing clit. My pussy feels so tight, and when I start getting wet, I fuck myself with my hard, multi-colored dildo. It's better than a real cock because it goes in as deep as I want it, goes in hard or gently, fast or slow, and best of all, when I'm sucking it off, it won't cum in my mouth." C'mon Marketa, we know you love a mouthful of cum. All chicks do.

TARYN & DENISE

KITCHEN HELPERS

Taryn and Denise love the food at the *swingin'* new restaurant in town. They really love the "beefcakes." The girls enter the kitchen searching for meat, and find something to suck on. They take off their clothes, spread their legs, and stuff their aching hot holes with hard meat, while they suck on each other's tits, and eat pussy. Now for dessert, sweet warm cum, direct from the snatches of these two hot sluts. They're easy to order and make, and it's always available on the menu. We'd like an order of Taryn and Denise—to go!

Thousands Flock To The Nudes-A-Poppin' Festival To Get An Eyeful Of Pretty Pussy and Beautiful Boobies!

Photos By Bob Ferguson & Lindsay Lattimore

CHERI
WORLDS HOTTEST MAGAZINE

ON THE ROAD
Roselawn, IN

Jaded Dawn charms boa constrictors and trouser snakes alike.

Heated Strokers

The temperature was nearly 100 degrees and people were dropping like flies from the heat. Still, the blistering sun didn't stop them from coming. A line of cars stretched for miles from the entrance to the Ponderosa Sun Club in Roselawn, Indiana. Some people slept in their vehicles overnight just to get a good place in line. Why were these people doing this? What was going on here? Did the Pope come for a visit? Nope, it was even better than that—the annual Nudes-a-Poppin' Festival featuring the Miss Nude North America and Miss Nude Galaxy Pageants! With over 80 naked dancers it was worth facing a little heat stroke and sunburn!

This girl's name is Trouble but she looks pretty easy to us! Besides, we love getting into Trouble...

Star Shine

You'd expect to see XXX superstars like Janine, Adara Michaels, and Ron Jeremy at the Nudes-a-Poppin' Festival. But what was Baywatch babe Tracy Bingham doing there? Why she was enjoying the show just like everybody elese, of course! Sure, these folks are big stars, but let's face it, they enjoyed ogling the expansive sea of naked flesh on display at the Ponderosa as much as the fans did. There's just something about hanging around with a bunch of naked people that makes everybody feel happy and relaxed. We're sure you understand.

HARDCORE HOMEBODIES

AWESOME AMATEURS IN OUTRAGEOUS, UNCENSORED ACTION!

It's been a while since we've featured our Homebodies section in CHERI. But though these awesome amateurs have been gone, they haven't been forgotten. We were just waiting for the right time to bring them back. The time is now. The action is extreme hardcore. These girls may be amateur adult models now, but based on the sucking and fucking skills they demonstrate here, we don't think they'll stay that way for long! Enjoy CHERI's Hardcore Homebodies!

FIONA

Age: 19 years old
Hometown: Bakersfield, CA
Ethnicity: All-American Slut

Fiona defies logic—she's super thin, yet her tits are full and bouncy, and she has a seemingly insatiable appetite for cock. "I love to suck dick and take it up the ass," Fiona reports. "My favorite thing to do it to let my boyfriend and his friend take turns plowing my asshole." Lucky guy...even luckier friend!

MEGAN

Age: 20 years old
Hometown: Miami, FL
Ethnicity: Cuban

With a thick, sexy ass, and perky, ultra-sensitive nipples, Megan is a little slice of Havana Heaven right here in the States. "I'm waiting a year or two before I start college," Megan explains. "I just want to have some fun first, you know?" Oh, we know, Megan. We invented fun. Shall we show you?

LONI

Age: 20 years old
Hometown: Cleveland, OH
Ethnicity: Korean & German

Only 19 and Loni is already a certified sexpot! She had sex with one of her teachers shortly after graduating from high school and now she's on a mission to blow all of her father's golfing buddies. "It's a daunting task—he belongs to a pretty big country club—but I'm up for it," Loni says. Your dad may not be proud of your actions, Loni, but we are!

JORDAN

Age: 18 years old
Hometown: San Jose, CA
Ethnicity: California Screamer

This girl just turned 18. She's super cute and she loves sex. This is the type of girl we dream about day and night, and here she is, in the flesh, spreading her hot holes for all to see. She fingers herself until she cums, then she asks in a small, soft voice, "Will someone fuck me now?" Yeah, this is a good girl. Excuse us while we go jerk off.

KIRA

Age: 19 years old
Hometown: Wheeling, WV
Ethnicity: Southern Belle

"There's nothing to do in West Virginia except fuck," Kira says, which would explain how she became such an accomplished cock handler. This curvy Southern Belle's other hobbies include reading celebrity news magazines and playing video games. "But nothing beats fucking. It's still my favorite way to pass the time." Ours, too, Kira.

GISELLE

Age: 20 years old
Hometown: Punta Gorda, Belize
Ethnicity: Central American Slut

Look at those tits! This exotic beauty hails from the rainforests of Belize, where she fits right in among the all-natural beauty and splendor. "My native country is great because of all the beautiful plants and wildlife," Giselle says. "But I love America because of the fast food and porno movies." There's no chance any of those things will ever become an endangered species here, Giselle.

SANDRA & LAURY

HOT LEZ, HOT LEGS

Sultry Euro babes Sandra Shine and Laury Smith can't help but be all over each other. They share an intense leg fetish, so they wear their sexy boots, and get themselves turned on by the sight of one another's hard, lean bodies, super tight pussies, and of course, their long, sexy legs! Their aching pussies start getting wet, so they go muff diving on their moist snatches, wrapping their legs around their heads. The sight of the boots turn the girls on, and the more turned on they are, the deeper their tongues probe each other's cunt. Suddenly, a gush of sweet girlie cum flows from their pussies. They bring out the dildos so the real fucking can begin. Don't let us disturb you, ladies. We'll just watch...
